

# FRANKINSENCE & MYRRH

### **Reed Diffuser Safety Precaution Information**

## Read safety information carefully before use.

## Directions of use

- 1. Unscrew and remove seal from the top of the bottle.
- 2. Screw the cap back onto the bottle.
- 3. Wash your hands after handling.
- 4. Insert the reed stems into the bottle making sure you spread out the stems.
  - i) The reeds will act like a wick drawing up the fragrance and releasing it into the air.
  - ii) As the reeds absorb the fragrance they will become deeper in colour.
- 2) Ensure the diffuser is placed on a stable surface to prevent accidental spillage.
- 3) **DO NOT** place on polished, painted or plastic surfaces.
  - i) Wipe surface free of any spillage.

Lasts approx. 12 weeks

**PRECAUTIONS FOR USE/SAFETY INFORMATION:** Keep out of reach of children. Avoid contact with skin and eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. In case of contact with the skin wash immediately with plenty of water. Wear suitable gloves. If swallowed, seek medical advice immediately and show the container label. Dispose of contents/container in an approved disposal site, in accordance with local regulations.
