

WHITE MUSK

Reed Diffuser Safety Precaution Information

Read safety information carefully before use.

Directions of use

1. Unscrew and remove seal from the top of the bottle.
 2. Screw the cap back onto the bottle.
 3. Wear gloves if possible if not wash your hands after handling.
 4. Insert the reed stems into the bottle making sure you spread out the stems.
 - i) The reeds will act like a wick drawing up the fragrance and releasing it into the air.
 - ii) As the reeds absorb the fragrance they will become deeper in colour.
- 2) Ensure the diffuser is placed on a stable surface to prevent accidental spillage.
- 3) **DO NOT** place on polished, painted or plastic surfaces.
 - i) Wipe surface free of any spillage.

Lasts approx. 12 weeks
